The Grand Bulb Bake Off!!

Thursday 4th June 2026 - Year 1's!

Dear Parents/Carers

Grandparents can be very important people in children's lives and to further acknowledge this we are having a special celebration in Year 1! During next half term, children in Year 1 will be having a special day where they will be planting seeds and flowers, and making seed packets to give to their Grandparents to grow and look after together. They will also be using ingredients from our Battling Brook garden to prepare and bake a fruit crumble.

We are **asking for Grandparents to send in their own favourite recipes**, of either sweet or savoury dishes, for us to collate and **create a special Battling Brook Grandparents recipe book**. This will then be shared with children in school. Children will be given a recipe card for Grandparents to write down their chosen recipe to bring in. They can also send a picture of their recipe if they prefer through your child's class dojo.

We are also looking for **some Grandparent volunteers to join us and help on this day, which will take place on Thursday 4th June**. If any Grandparents would like to volunteer their time for either an hour in the **morning from 9-10am** to help us plant seeds in our school garden, or for an hour in the **afternoon from 1-2pm** to help prepare fruit crumbles, **please message your class teacher on Dojo by Friday 8th May stating which session (either 9-10am or 1-2pm), and the Grandparents name and their Grandchild**. We will then let you know if we need your help. We will need about 5/6 grandparents to help in each Year 1 class.

Thank you in advance for your support. We can't wait to try your recipes!!

Thank you!

The Year 1 Team
