Dear Parent/Carer,

Following on from the letter sent home recently, I am writing to outline the trips and costs for your child in Year 4.

Wherever possible, we aim to facilitate a trip or a theme day per term that is linked to our learning topic of that time. This is not always possible due to availability of the provider or in school commitments so it may result in two events happening within the same term. A few weeks prior to the event, you will receive full information of what the event entails such as the date, times, location, costings and the due date for payment.

As previously advised, schools are not allowed to make a profit on any trips/theme days, if this were to happen, a refund would be issued to parents, we are not allowed to charge parents for the adults that are in attendance. We are regularly audited by an external agency to ensure that we adhere to these rules. As a school, we do our utmost to keep the costs as low as possible by subsidising events and trying to stay local to keep travel costs to a minimum.

All school time activities are based on a voluntary contribution but if we do not receive sufficient contributions from parents, then the event will need to be cancelled. Should this happen for any given trip/theme day, we may have to cancel the remaining activities for the rest of the academic year for that year group to minimise the financial loss to the school. If you are unable to make your contribution, please contact the school office as soon as possible. This will ensure that no further reminders are sent and also allow the school to make the decision as to whether the trip is still financially viable.

Your child's trips/theme days for this academic year are:

Autumn Term

28th-30th October - Y4 Residential. Children remaining in school will have lots of fun activities planned

Spring Term

5th March – Warner Bros Studios/Harry Potter £29 (this trip is subsidised by the school)

Summer Term

21st May – Egyptian Theme Day – No charge

Total Cost = £29.00

If you have any queries or require further information, please speak to your child's class teacher or the school office. Again, I would like to take this opportunity to thank our parents who always support the school and understand the importance of us working together for the benefit of the children and our wider community.
