Dear Parents and Carers,

We are delighted to let you know that we have booked Little City to visit our school on Thursday 15th October to provide an exciting enrichment experience for the children.

Little City is an entirely mobile role-play city designed especially for young children. Using bespoke backdrops, high-quality toys and carefully selected equipment, Little City creates an immersive environment where children can explore, imagine and develop their own stories through play. The experience allows children to step into the shoes of the grown-ups they see around them every day. They might become a hairdresser, firefighter, builder, café owner, shopkeeper or explore one of the many other exciting roles available within the Little City environment.

Role play is a wonderful way for children to develop their communication, imagination, confidence, independence and social skills, while having lots of fun with their friends.

To help cover the cost of this special enrichment experience, we are asking for a contribution of £5 per child. Please make your payment via Arbor before Wednesday 14th October. The success of this experience depends on us receiving sufficient contributions, so your support is very important in helping us to ensure that the Little City visit can go ahead.

We are very excited to bring this unique experience into school and know that the children will have a fantastic time exploring, pretending and letting their imaginations run wild!

Thank you in advance for your continued support in helping us to provide exciting and memorable experiences for the children.

Kind regards,
Miss Bailey and Mrs Imber
